### SUDDEN SUMMONS

Came to Robert Stephens While in a  
Bath Room at His Home in  
Cincinnati.

Mr. Robert Stephens, aged 32, died  
suddenly at his home in Cincinnati  
Saturday. He was in the bath room in  
the act of taking a bath, when he was  
seized with a hemorrhage, and died  
in a short time.

Five weeks ago he came to this city

to attend the funeral of his mother,  
and having contracted a heavy cold  
previous to that, his coming only added  
to its intensity, and it is thought  
he was seized with a paroxysm of  
coughing which caused the fatal  
hemorrhage.

He is survived by four brothers—  
Messrs. R. M. Stephens of this city,  
Charles Stephens of Richmond, Va.,  
W. S. Stephens, of Peru, Ind., Jack  
Stephens, of Camp Shelby, Hatties-  
burg, Miss., and four sisters—Mrs.  
Bettie Trisler of this city, Mrs. Ida

McKee and Mrs. James Dunbar of In-  
dianapolis, and Mrs. J. F. Ryan of  
Huntington.

His remains arrived here last night  
and were taken to the home of Mrs.  
Bettie Trisler in Eastland, from which  
place the funeral will be held tomor-  
row afternoon at 2 o'clock.

Regular meeting of Pisgah Encamp-  
ment No. 9, I. O. O. F., tonight at 7:30.  
All Patriarchs are urged to be pres-  
ent.

### BACCALAUREATE SERMON

At High School Auditorium Last  
Night a Literary Treat to a  
Large Audience.

Last night at the High School audi-  
torium the commencement exercises  
of the Maysville Public Schools were  
begun under circumstances that will  
tax the energies of Prof. W. J. Cap-  
linger and his able corps of assistants  
to their utmost.

All commencements are good, but  
from the auspicious opening of the  
one of 1918 this will be the best.

The baccalaureate sermon to the  
graduates was the beginning, and the  
one delivered last night by Dr. Ben-  
jamin Bush, Pastor of the Second  
Presbyterian Church of Lexington,  
was certainly a literary gem from be-  
ginning to end. The learned gentle-  
man took for his theme the Parable  
of the Talents, and for about one hour  
he told the fair graduates what this  
world really expected of them, show-  
ing them that it was not their func-  
tion in life to lie down now on flow-  
ery beds of ease, but that their task,  
no matter how arduous they had been  
heretofore, had just begun, and that  
each day more and more was expect-  
ed of them, until they had accom-  
plished that for which they had been  
placed here by the great Maker and  
Builder. It was a treat seldom in-  
dulged in by the large audience in this  
city.

The Rev. Dr. John Barbour had  
charge of the services and introduced  
Dr. Bush, and the High School Quar-  
tette came in for many complimen-

tory expressions over the rendition of  
their several musical numbers.

An added feature that was very at-  
tractive and beautiful was the ushers,  
a number of the Junior girls dressed  
in white.

This afternoon at 2 o'clock the  
graduating class will hold their class  
day exercises and the program is an  
interesting one.

Tonight the colored Eighth Grade  
celebrates exercises will be held at the  
Bethel Baptist Church.

### NO, THANK YOU, WE'LL WALK

The increase in the passenger rates  
on the railroads went into effect last  
midnight, and if you expect to get  
anything else besides a ride out of a  
\$5 bill when going to Cincinnati you  
had better take two fives, as the  
round-trip fare now is \$4.14—straight  
3 cents per mile and war trimmings.  
This is over the Chesapeake & Ohio  
Railway, and we haven't time to  
finger out what the taxes are over the

### HUNS BEGIN NEW THRUST

GERMANS GAIN ON FRONT OF  
TWENTY MILES IN FRANCE.

Energetic Resistance Made By French  
Army—Heavy Gas Shell Bombard-  
ment Precedes Attack—Enemy  
Penetrates Distance of Two  
and a Half Miles at  
Points—Paris Is  
Objective of  
Enemy.

French Army Headquarters, June 9.  
—(Via Ottawa)—The German offen-  
sive which opened this morning on a  
twenty mile front was preceded by a  
heavy gas shell bombardment. The  
enemy's gains have as yet been con-  
fined to our advanced zone, which  
was within the range of a destructive  
fire from his mineverfer.

The principal line of resistance is  
untouched, according to the latest re-  
ports.

The enemy probably intends to  
turn to the right between the Matz  
and the Oise by an advance between  
the Matz and Noyon, with the object  
of obtaining a clear way toward Paris  
and the Oise protecting his right in  
conjunction with later moves from the  
Sciennes-Chateau-Thierry line.

Paris, June 7.—In a new thrust, di-  
rected at the sector between Mont-  
didier and Noyon, the Germans have  
succeeded in gaining ground along  
about a twenty mile front, to a depth  
of two and a half miles, at certain  
points, according to the war office an-  
nouncement tonight.

The fighting was very heavy and  
the French offered a powerful resistance  
to the multiplied efforts of the  
enemy and finally succeeded in check-  
ing the advance, particularly on the  
two wings.

The text of the statement reads:

"A new offensive began this morn-  
ing by the German army developed  
with sustained violence on a front of  
thirty-five kilometers (approximately  
21.8 miles) between Montdidier and  
the Oise. The enemy, in great force,  
multiplied his efforts to drive through  
our lines, but our troops everywhere  
sustained the shock along the entire  
battle line. Stubborn engagements  
stopped or seriously retarded the enemy  
thrust.

"To the left the Germans did not  
succeed in crossing our covering zone,  
and were strongly held by our troops  
on the line of Rubecourt, Le Fretoy  
and Mortemer, which they reached.

"On the center the progress of the  
enemy was more appreciable. After  
successive attacks, which were mur-  
derous for their troops, the Germans  
succeeded in taking foot in the vil-  
lages of Rossons-Sur-Matz and Mare-  
uil, where our units of the first line  
continued to offer defense foot by  
foot.

"On the right, the enemy met with  
resistance not less energetic and not-  
withstanding his repeated efforts we  
held him on the front comprising Bel-  
val, Canteleu and Vile.

"The Germans began at midnight a  
violent preparatory artillery fire from  
the region north of Montdidier as far  
as to the east of Oise. The French  
batteries immediately intensified their  
fire in counter preparation.

"At 4:30 o'clock the German infan-  
try made an attack on the French po-  
sitions between Montdidier and Noyon.  
Our troops are resisting with signifi-  
cant valor in the covering zone. The  
battle is continuing.

"Between the Oise and the Aisne  
the French this morning carried out  
a local operation east of Hautebraye  
and gained ground, taking sixty pris-  
oners. South of the Ourse the French  
improved their positions east of  
Chery. The Germans, who succeeded  
at 10 o'clock last night in penetrating  
the French lines near Vinly, were  
thrown out completely by a French  
counter attack. At the same hour the  
French captured Eloup Wood, and  
this morning the wood directly south  
of Bussieres. In these operations we  
took 200 prisoners, including five of-  
ficers.

"West of Rheims, after a spirited  
bombardment, the Germans attacked  
the region of Virgny. They suffered  
serious losses without obtaining  
any results.

"On the remainder of the front

there is nothing to report."

Paris Apparently Is Objective of Lat-  
est Offensive by Kaiser

New York, June 9.—The armies of  
Prince Rupprecht of Bavaria again  
are hitting the Allied line in a new  
offensive, with Paris apparently their  
objective.

Between Montdidier and Noyon,  
over a front of about twenty miles,  
preceded as usual by a heavy bomb-  
ardment with shells of all calibers  
and with noxious gases, the enemy  
maneuvers evidently has in view the  
bending back of the Allied front to-  
ward the town of St. Just, on the  
northern wing and toward the rail-  
road junction of Compeigne on the  
southern flank, getting astride the  
Oise river and driving southwest to-  
ward the French capital.

The French troops are resisting the  
impact with their usual valor, but the  
Germans on their right and in the  
center have been able to penetrate the  
line for distances ranging from two-  
thirds of a mile south of Montdidier  
to relatively two and a half miles at  
Rezon-sur-Metz, in the center,  
thence to Noyon. However, the al-  
lied line is holding strongly.

If success should rest with the en-  
emy on the new battle front, it possibly  
might badly affect the stability of the  
line of the defenders from the Oise to  
the Marne and compel a falling back  
westward from the Oise to the region  
of the Marne northwest of Chateau-  
Thierry in order to straighten out the  
deep salient that would then project  
eastward with the Soissons sector as  
its apex.

Washington, June 9.—The American  
steamer Pinar Del Rio was sunk by  
a German submarine 70 miles off the  
coast of Maryland yesterday morning.  
One of her boats with the captain and  
seventeen members of the crew is  
missing. Another with sixteen men  
has landed on the Virginia coast.

### CAST FOR "OVER THE TOP"

The cast for one of the most won-  
derful photoplays ever shown in this  
city has among its list many noted  
actors. The leading part is taken by  
Guy Emery, war hero and writer,  
wholehearted American and veteran  
of hand to hand encounters with the  
Hun.

This is by far the greatest story of  
the war that has been published for  
it is written by a man who has been  
there, who has suffered wounds, been  
promoted for bravery many times and  
is chuck full of the indomitable opti-  
mism that is true of the American  
thoroughbred.

In another column in this issue  
Hon. W. J. Fields of Carter county,  
announces his candidacy for the Dem-  
ocratic nomination for Congress from  
this district at the primary election to  
be held Saturday, August 3. He  
has served sufficiently long in this  
most important office as to need no  
extended notice.

### COMFORTING LETTER

From Chaplain Who Was Present at  
the Death of Leslie H. Arthur.

Somewhere in France, April 23, '18.  
Mr. Calvert Arthur, Mayslick.

Dear Mr. Arthur:

No doubt the regimental authori-  
ties have notified you about the death  
of your son, Leslie, which occurred  
recently in France. I take this op-  
portunity to offer you my sincere  
sympathy in your great loss. It was  
a sacrifice for you when he left home  
to join the national colors, now comes  
the news of his death making the sac-  
rifice still greater. Bravely he gave  
his life for his country, his name is  
enrolled among the nation's heroes,  
the brave sons of Uncle Sam. Being  
the Catholic Chaplain of his regiment,  
I can assure you that I have followed  
him in his last moments and at the  
grave I conducted the funeral serv-  
ices. I felt very proud to have had  
such a boy as Leslie under my care  
and will not forget him in my prayers.  
If there is any further information  
you may desire, I want you to feel  
free to call on me.

Yours very truly,  
H. A. DANCHE, U. S. N.,  
Chaplain 6th Regiment Marines,  
American Expeditionary Forces.

The Young People's and Juniors'  
Missionary Rally of the Maysville  
District, of the Southern Methodist  
Church will be held in Sharpsburg  
Thursday, June 13th, from 10 a. m. to  
3:30 p. m. May we as missionary  
workers show no faltering; so let ev-  
erybody consider this a special in-  
vitation and make an extra effort to  
attend this meeting. Box lunch.

MRS. SAM HOLMES,  
District Secretary.

### KITCHEN HELP IMPOSSIBLE TO GET

Mr. George M. Diener has given up  
serving meals on account of the lack  
of help. For the past few years it has  
been very difficult to secure kitchen  
help and at the present time is almost  
impossible to secure a cook of any  
discretion, no matter what wages are  
offered. Several other boarding houses  
in this city have had to close down  
this account.

Secretary Carl Dodds of the Mays-  
ville Chamber of Commerce left yes-  
terday on a week's organization tour  
of this district in interest of the War  
Savings Stamps campaign, his first  
stop being Vanceburg.

Mrs. William McCarthy joined her  
husband at Portsmouth yesterday,  
which place they will make their fu-  
ture home, Mr. McCarthy having ac-  
quired a lucrative position there sev-  
eral days ago.
